

Cornerstone VR Evaluation Resources – Links/QR Codes

It is important that you capture evaluations so we can measure the impact of VR on your service. Feel free to print our forms but remember to submit any handwritten data using the digital forms below.

- **VR Usage Evaluation Form**

Remember to fill out and share this form with anyone you show VR to ('new users') in your work.

- **Follow Up Form**

You can use the below form to follow up with 'new users' to assess the impact of VR over an extended period of time. For example, you could plan to follow up with a user after 3 months.
